

COMPETITION FOR AWARDING THE BEST PhD DISSERTATION ON THE TOPIC “INNOVATIVE TOOLS AND METHODS FOR PROMOTING A RESILIENT, CREATIVE AND SUSTAINABLE CITY”

Art. 1

The University of Studies “Federico II” of Naples, on initiative of the Department of Conservation of the Architectural and Environmental Heritage - Laboratory of Research on “Creative and Sustainable City”, issues a competition for awarding a Prize, of 5.000,00 Euros gross of withholding taxes paid by the percipient and 8 .5% of IRAP paid by the University, for the best PhD dissertation on the topic “Innovative tools and methods for promoting a resilient, creative and sustainable city”.

Art. 2

The international competition is open to all those PhD doctors, who completed their doctoral cycle of studies within the last three academic years: 2009/2010, 2010/2011, 2011/2012, at any Italian and foreign University.

Art. 3

The Prize will be awarded by a Commission composed as followed:

- The President of the Scientific Committee of the Laboratory of Research on “Creative and Sustainable City”;
- The Director of the of Laboratory of Research on “Creative and Sustainable City”;
- A representative of the Scientific Board of the Interdepartmental Centre of Research on Urban Planning “Alberto Calza Bini”;
- A representative of Scientific Board of the PhD on “Evaluation methods for the integrated conservation, renewal, maintenance and management of the architectural, urban and environmental heritage”;
- Two representatives of the World Urban Campaign - UN Habitat Steering Committee.
- A representative of UN-Habitat-Universities

Art. 4

The Commission will award the Prize to the candidate who will have developed a work both original and consistent with the research topic indicated at the previous art.1. The Commission's judgment is indisputable

In case of *ex aequo*, the Prize will be awarded to the younger PhD doctor; in case of *ex aequo* between two or more PhD doctors with the same age, the Prize will be divided in equal parts between the PhD doctors eligible to the Prize.

In case none of the dissertations presented matches the expected performances, the Commission will not award the Prize. In this case the Prize will be possibly awarded on the following year.

Art. 5

Applications to the competition **must arrive** in a closed envelope, on pain of exclusion, no later than 12:00 on the day 10.01.2013 at the **Università degli Studi di Napoli Federico II - Ufficio Protocollo/Settore Smistamento - Corso Umberto I , 80138 NAPLES**. To this end, faith will only stamp on the package by the Protocol - Sector sorting of the University. The sealed envelope shall be stated the words: Competition for a Prize for the best PhD thesis on the topic "Tools and methods for promoting a city resilient, creative and sustainable
