1. Introduction

Dear ERASMUS-Applicant,

Congratulations on having been selected as an exchange student at the University of Natural Resources and Life Sciences, Vienna. The team at the Center for International Relations is looking forward to welcoming you to Vienna.

We are most certain that you will have an interesting, exciting and joyful semester/year at our university and in our city. At BOKU, like at most of the other universities in Europe, people from different countries who speak different languages are studying, living and socialising together. This contact with other cultures has changed many lives and offers the basis for an interesting and informative time.

Living with people from all over the world is a great experience and offers many new and exciting opportunities. We are very honoured to be accompanying you during your time in Vienna and we will try our best to make your stay as comfortable as possible. Your exchange coordinator at the Center for International Relations, as well as your buddy and your Austrian colleagues will be a great source of information. Just feel free to contact us!

The first step towards a successful stay as an exchange student is reading our information series **“Welcome to BOKU”**

- A. ERASMUS APPLICATION AT BOKU
Application Procedure, The Academic Year, Structure of Programmes, Course Types, How to Look for Courses, ECTS, Thesis and Project Work, Language Proficiency, Contacts
- B. PLAN YOUR STAY AT BOKU
Entry & Residence Permits, Accommodation, Insurance, Working, Buddy Network, Language Courses, Arrival Time, Orientation in Vienna
- C. FIRST STEPS IN VIENNA
Arrival in Vienna, Orientation at BOKU, Life in Vienna (City Information, Public Transport, Practical Issues, Free Time, ...), Useful Links, Checklist for Exchange Students

“ERASMUS APPLICATION” deals with all the things you have to do AFTER being nominated by your home university and BEFORE being accepted by BOKU. You will find information about the most important issues for your application: What do I have to submit? Which requirements do I have to fulfil? How do I choose my courses? Who do I have to contact?

Next to administrative issues, cultural differences can also cause problems. It can be difficult to adjust to a different culture and learn a new language. To benefit from your stay both socially and academically, we would like to draw your attention to the fact that people are generally culturally different, and therefore react in different ways in certain situations. If you are able to recognise and accept these differences you will easily benefit from your stay in Vienna.

All in all, we would like to wish you all the best for your EXCHANGE at BOKU!
Good luck with your application!

Center for International Relations
University of Natural Resources and Life Sciences, Vienna

2. The Application Procedure at BOKU

After having been nominated by your home university, you also have to apply directly at BOKU.

The application form is available for download at:

<http://www.boku.ac.at/erasmusin.html?&L=1>

At page 2 of the application form you have to mark the programme that you want to enrol for at BOKU:

- Students **who do not have a bachelor diploma** (certificate has to be shown at latest before the start of the semester at BOKU), have to **enrol in a bachelor programme**.
In case students without bachelor diploma already have received more than 180 ECTS, they are allowed to take up to 30 ECTS of master courses (1 semester) but still have to enrol in a bachelor programme.
- Students who hold a bachelor degree (certificate!), should enrol in a master programme.
- Students who hold a diploma degree or master degree, can also enrol in a PhD programme.

Language ability

Students who have received **less than 180 ECTS** so far, have to prove **German** language skills at level B2 of the Common European Framework of languages. (BOKU does not offer enough courses taught in English at Bachelor level),

Students who have received **more than 180 ECTS** so far, have to prove **either German OR English** language skills at level B2 of the Common European Framework of languages.

Please return the completed **application form** along with

- your **academic transcript** stating the total number of ECTS credit points that you have received (an official list of courses you have attended so far)
- a copy of your **bachelor's degree** if you want to register for a Master's programme
- a copy of your **Master's degree** if you want to register for a PhD programme
- a copy of a **German language certificate at level B2 of the Common European Framework of Languages – CEFR**
(<http://europass.cedefop.europa.eu/LanguageSelfAssessmentGrid/en>) if you have received **less than 180 ECTS** so far (it is also ok if language certificate is indicated on the transcript of records)
- a copy of a **German OR English language certificate at level B2 of the Common European Framework of Languages – CEFR**
(<http://europass.cedefop.europa.eu/LanguageSelfAssessmentGrid/en>) if you have received **more than 180 ECTS** so far (it is also ok if language certificate is indicated on the transcript of records)
- a copy of your **ID-card** (e.g. passport, page with your picture)
- one passport-sized **photograph** (stick it on the first page of your application)

Universität für Bodenkultur Wien
Zentrum für Internationale Beziehungen
Erasmus Incoming Coordinator
Peter-Jordan-Strasse 82a
A-1190 Wien
Austria
Fax: +43 1 47654 2606

In accordance with the BOKU academic year, applications must be received by the following deadlines:

- **30th of June for entry in the winter semester**
- **30th of November for entry in the summer semester**

All forms mentioned here are available as downloads at <http://www.boku.ac.at/erasmusin.html>. We recommend that you to send the forms as soon as possible, particularly when you have to apply for a student visa or residence permit in order to be able to study in Austria.

After receipt of your correct application form (including all enclosures) you will receive

- a confirmation e-mail with some basic information as well as
- a notification of admission (Zulassungsbescheid) from the Dean's Office (Studienabteilung)

You will need this certificate of admission as well as a valid passport and in order to enrol at our university after your arrival in Vienna.

In the notification of admission you will find a link to an online **pre-registration** that you have to do prior to your arrival.

3. The Academic Year at BOKU

The academic year is divided into two semesters:

Winter Semester (WS)	1 October 2011 – 3 February 2012
German Intensive Language Course	September 2011
Registration at the Dean's Office	29 August 2011 – 7 October 2011 (holiday: first two weeks of August)
Classes begin	Mostly in the 2 nd week of October (some exceptions, e.g. preliminary discussion)

Summer Semester (SS)	27 February 2012 – 1 July 2012
German Intensive Language Course	February 2012
Registration at the Dean's Office	6 February 2012 – 9 March 2012
Classes begin	Mostly in the 1st week of March (some exceptions, e.g. preliminary discussion)

Course Guide

A description of all courses is available online at <http://online.boku.ac.at> (see document "BOKUonline-how to find courses")

Examination Period

There are no set examination periods. As a general rule, however, the examinations of semester courses are held at the end and beginning of the semester. The exam-free periods last from December 22, 2010 to January 1, 2012 and from July 16, 2011 to August 27, 2012.

Course Certificates

For each passed exam you receive a course certificate (Zeugnis). The certificates and a transcript of records (list of all passed exams) can be picked up personally at the Dean's Office – in German as well as in English. If you do not get your certificates before your departure, they can be sent to you or to the international office of your home university by the Center for International Relations.

Holidays

Christmas Break: December 19, 2011 – January 6, 2012
 Semester Break: February 4, 2012 – February 26, 2012
 Easter Break: April 2, 2012 – April 22, 2012
 Summer Break: July 2, 2012 – September 30, 2012

Official Holidays 2011/12

October 26:	National Holiday	April 8/9:	Easter
November 1:	All Saints' Day	May 1:	National Holiday
December 8:	Saint Mary's Holiday	May 17:	Ascension Day
December 25:	Christmas Day	May 27/28:	Whitsun
December 26:	Saint Stephens Holiday	June 7:	Corpus Christi
January 1:	New Year's Day	August 15:	Assumption
January 6:	Epiphany		

Other University Holidays

November 2:	All Soul's Day	Tuesday following Whitsun
November 15:	Patron's Day (Leopold)	
June 8, 2012:	Rector's Day	

4. Structure of the Study Programmes

Since the academic year 2004/05, all courses of study have changed over to the Bachelor and Master's system. Every course of study has a classification number allocated – the so-called "Studienkennzahl". "H" is the classification letter of BOKU. Further information can be found at <http://www.boku.ac.at/705.html?&L=1>

Bachelor Programmes

Duration of study: 6 terms; awarded title: Bakkalaureus der technischen Wissenschaften or Bakkalaurea der technischen Wissenschaften (short: Bakk. techn.)

- Food Chemistry and Biotechnology (033 217)
- Landscape Design and Landscape Architecture (033 219)
- Forest Engineering (033 225)
- Wood Engineering and Natural Fibre Engineering (033 226)
- Environment Management and Management of Bio-Resources (033 227)
- Land and Water Management and Engineering (033 231)
- Agricultural Sciences (033 255)
- Viniculture, Enology and Wine Management (033 298)
- Equine Sciences / Courses at the VMU (033 602)

Master's Programmes

Duration of studies: 4 terms; awarded title: Diplomingenieur or Diplomingenieurin (short: Dipl.-Ing. or DI)

- Natural Resources Management and Ecological Engineering (066 416)
- Food Science and Technology (066 417)
- Biotechnology (066 418)
- Landscape Design and Landscape Architecture (066 419)
- Phytomedicine (066 422)
- Fisheries and Wildlife Ecology and Management (066 423)
- Forest Science (066 425)
- Wood Technology and Management (066 426)
- Environment Management and Management of Bio-Resources (066 427)
- Mountain Forestry (066 429)
- Mountain Risk Engineering (066 430)
- Land and Water Management and Engineering (066 431)
- Water Management and Environment (066 432)
- Landscape Management, Infrastructure and Construction (066 433)
- Environmental Sciences - Soil, Water and Biodiversity (ENVEURO) (066 449)
- DDP European Master in Animal Breeding and Genetics (EM-ABG) (066 450)
- Safety in the Food Chain (066 451)
- DDP MSc European Forestry (066 452)
- Horticultural Sciences (066 454)
- Applied Plant Sciences (066 455)
- Productive Animal Science (066 456)
- Agricultural and Nutritional Science (066 457)
- Ecological Agriculture (066 458)
- Agricultural Biology (066 459)
- DDP NAWARO (066 471)
- Alpine natural hazards/controlling of torrents and avalanche protection (066 477)

The following international Master's programmes are offered in English:

(see also <http://www.boku.ac.at/lehre0.html?&L=1>)

- **Animal Breeding and Genetics (066 450)** – in association with Wageningen University (WU), The Netherlands; Christian-Albrechts-Universität (CAU), Kiel, Germany; Agro ParisTech, France; Swedish University of Agricultural Sciences (SLU), Uppsala, Sweden; The Norwegian University of Life Sciences (UMB), Aas, Norway.
- **ENVEURO (066 449)** (ELLS Master programme Environmental Sciences – Soil, Water, Biodiversity) in association with the University of Copenhagen (LIFE), Denmark; Wageningen University (WUR), The Netherlands; the University of Hohenheim (UHOH), Germany and the Swedish University of Agricultural Sciences (SLU), Uppsala, Sweden.
- **Horticultural Sciences (066 454)**– in association with Università di Bologna, Italy and the Centre of Life and Food Sciences Freising-Weihenstephan of the Technical University, Munich, Germany
- **European Forestry (066 454)** – in association with the University of Joensuu, Finland; University of Freiburg, Germany; Swedish University of Agricultural Sciences (SLU), Sweden; University of Lleida (UdL), Spain; Wageningen University, The Netherlands
- **Natural Resources Management and Ecological Engineering (066 416)** - in association with the Lincoln University, New Zealand, and the Czech University of Agriculture, Prague
- **Safety in the Food Chain (066 451)** – in association with the University of Copenhagen (LIFE), Denmark; Wageningen University (WUR), The Netherlands; the University of Hohenheim (UHOH), Germany; the University of Ljubljana, Slovenia and the Swedish University of Agricultural Sciences (SLU), Uppsala, Sweden..
- **Mountain Forestry (066 429)**
- **Mountain Risk Engineering (066 430)**

Other Double Degree programmes:

DDP NAWARO (066 471) – in association with the Technical University Munich and University of Applied Sciences Weihenstephan, Germany

PhD Programmes

Duration of study: 6 terms, awarded title: „Doktor der Bodenkultur /Doktorin der Bodenkultur“ (short: Dr.nat.tech.), „Doktor der Sozial- und Wirtschaftswissenschaften“/„Doktorin der Sozial- und Wirtschaftswissenschaften“ (short: Dr.rer.soc.oec) or PhD-study Biomolecular Technology of Proteins (short PhD (Doctor of Philosophy))

5. Course Types

Most courses are carried out in units of two semester hours per week (90 minutes). The semester usually lasts 15 weeks. Due to teaching reasons or the content, some courses take the form of blocks (e.g. 3 hours every two weeks or intensive weekends). For most course types the attendance is compulsory (not for lectures).

Lecture (VO)

Usually covers 2 hours a week (1 hour = 45 minutes). Registration is not required and there is no attendance sheet. They are usually held by professors. Grades are based on a written or oral exam at the end of the term.

Seminar (SE)

The emphasis is on the acquisition of theoretical and practical knowledge. Assessment is based either on the final exam or a term paper that has to be submitted by the student. Active class participation is required.

Practical courses (UE)

The emphasis is on the acquisition of practical knowledge. Students are expected to participate actively in class and therefore, must always be in attendance.

Further Course Types

Diploma Seminar (DS)	Lecture with Seminar (VS)
Excursion (EX)	Lecture with Practical Work (VU)
Project (PJ)	Lecture with Excursion (VX)
Seminar with Excursion (SX)	Lecture with Seminar and Excursion (VY)
Practical Work with Excursion (UX)	Lecture with Practical Training and Excursion (VZ)

6. How to Look for Courses at BOKU

Prior to your departure you should already be thinking about the courses you wish to take at BOKU. Your departmental coordinator at your home university will be able to help you find the right courses.

BOKU offers about 300 courses in English, which can be found in our course database BOKUonline. Every course has its own number which you should use to fill out the “learning agreement”.

BOKUonline – General information

The education management system at BOKU is called BOKUonline and also includes our course database.

If you are looking for courses, or if you want to register for a course or an exam, please use this link:

<http://online.boku.ac.at/>

General information about BOKUonline can be found at:

<http://www.boku.ac.at/zid-bokuonline.html?&L=1>

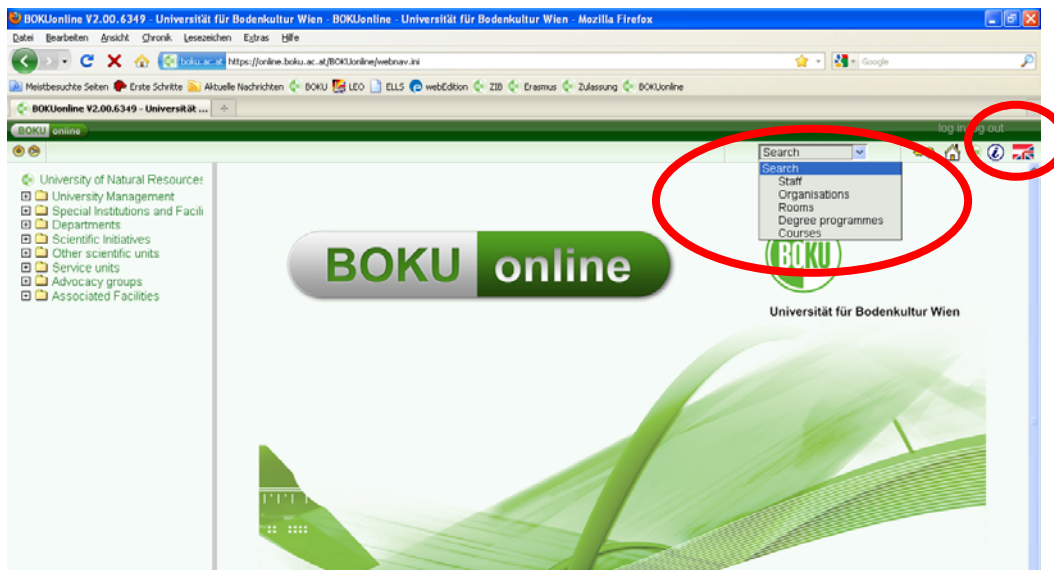

and

<http://www.boku.ac.at/zid-boo-stud-einf-unterlagen.html?&L=1>

How to look for courses?

The easiest way to find your courses is the following:

- ⇒ Go to <http://online.boku.ac.at/>
- ⇒ Select the English version in the box at the top
- ⇒ Go to „Search“ in the box at the top
- ⇒ Scroll down to „Courses“

- ⇒ Write a keyword next to “Search term” or type a course number
- ⇒ Click on “English” (middle of the page/center)
- ⇒ Make sure that the **“Language of Instruction” is English**
(Attention: courses are only offered in English, if the language of instruction – see course description – is clearly stated to be English)
- ⇒ Make sure that you look for courses in the right Academic year
- ⇒ Make sure that you look for courses in the right semester: alle = all, Winter = winter semester (October – January), Sommer = summer semester (February – June)
- ⇒ Click on “Search”

Attention:

If you want to get an overview on what is offered, you can also get

- **lists of courses of an institute or department**
- **lists of courses of a specific study programme**

Please find more information about that in the following document:

<http://www.boku.ac.at/zid-boo-lv-suche.html?&L=1>

Remember that you are free to choose courses from all different curricula, but make sure that you fulfil the specific requirements of the course. If necessary you can change your learning agreement upon arrival. Please note that you have to register for all the courses to be able to take the exam. For the online-registration you need a BOKUonline-login, which you will get a couple of days after your personal registration at the “Studienabteilung” (admission office) on your arrival. Therefore, please plan to arrive at BOKU before the semester starts!

Please review carefully

- if all courses will be offered in the semester when you want to take them
- if they are offered in English or German (Vortragssprache/Language of instruction)
- if you have the required background knowledge (if applicable)
- how you have to register- general information about the course registration can be found at:
<http://www.boku.ac.at/zid-boo-stud-lv-anmeldung.html?&L=1>
- when and where the first session will take place (see “scheduled dates” in the course description)
- if any of your courses overlap.

Introduction courses to BOKU online

To make the usage of the system as easy as possible for you, the Center IT Services (ZID) offers introduction courses in English especially for international students at the beginning of each semester.

7. ECTS (European Credit Transfer and Accumulation System)

ECTS was developed by the European Commission as a means of facilitating academic recognition and the transfer of credits from one university institution to another using a common basis of measurement.

ECTS provides a means of building bridges between institutions and to widen the choices available to students. The system makes it easier for institutions to recognise the learning achievements of students through the use of commonly understood system – credits and grades. It also provides a means to interpret between national systems of higher education.

The ECTS system is based on three core elements: information (on study programmes and student achievement), mutual agreement (between the partner institutions and the student) and the use of ECTS credits (to indicate student workload).

Full academic recognition is a basic requirement for student mobility within the Erasmus Programmes. Full academic recognition means that the study period abroad (including examinations or other forms of assessment) replaces a comparable period of study at the home university (including examinations or other forms of assessment), though the content of the agreed study programme may differ.

In ECTS, 60 credits represent the workload of an academic year of study and 30 ECTS credits a semester. Until recently in Austrian higher education, course units have been traditionally measured in semester hours per week but now it's also measured in ECTS credits.

The number of ECTS credits for each course is indicated in the online course catalogue of BOKU (<http://online.boku.ac.at>). Students receive ECTS upon the successful completion of a course. Credits are transferred from one university to another on the basis of a prior learning agreement between the student and the universities involved. Course information (course content, prerequisites, assessment etc.) is available in the online course catalogue.

After students have completed their studies at BOKU, they will receive a transcript of records which lists all courses completed and the grade according to the Austrian and ECTS scheme. This will provide your home institution with the information necessary to transfer courses.

ECTS Grading Scale

The ECTS grading scale is based on the following definitions.

Austrian Grade	ECTS Grade	Definition
1 (Sehr gut)	A	EXCELLENT – outstanding performance with only minor errors
	B	VERY GOOD – above the average standard but with some errors
2 (Gut)	C	GOOD – generally good work with a number of notable errors
3 (Befriedigend)	D	SATISFACTORY – fair but with significant errors
4 (Genügend)	E	SUFFICIENT – performance meets the minimum criteria
5 (Nicht genügend)	FX	FAIL – some more work required before the credit can be awarded
5 (Nicht genügend)	F	FAIL – considerable further work is required

ECTS Institutional Coordinator

Dr. Margarita Calderón-Peter
 Peter Jordan Straße 82a
 A-1190 Wien
 Tel.: +43 1 47654 2601
 Fax: +43 1 47654 2606
 Email: margarita.calderon-peter@boku.ac.at

8. Thesis, Dissertation and Project Work

If you wish to work on your thesis, dissertation or project, we ask you to do some research and get in touch with your future BOKU tutor/supervisor.

Current projects at BOKU can be found at <http://www.boku.ac.at/research.html?&L=1>. There, you also might find a tutor for your thesis or dissertation. Also, the homepages of the institutes might help. A link list can be found at <http://www.boku.ac.at/departments.html?&L=1>.

We do not recommend sending mass-emails to many professors. Instead, please contact the departmental coordinator in charge (see 10. Contacts, p.15ff) and include a CV and a project description to your e-mail.

Please note the name of your BOKU-supervisor on the Learning Agreement and include an informal confirmation that he/she is willing to supervise you (e.g. a copy of an e-mail) to your application

9. German/English Language Proficiency

BOKU offers courses in German and in English (approx. 300, mainly at the Master's level). Thus, you should be sufficiently proficient in German/English (see below) to follow them without major problems. Please be aware that you have to **prove language skills** to be accepted as an Erasmus student.

If you have received less than 180 ECTS so far, you have to submit a **German language certificate** at level B2 of the Common European Framework of Languages (see <http://europass.cedefop.europa.eu/LanguageSelfAssessmentGrid/en>) or an official confirmation that you are on this level, signed e.g. by the language department of your university (as long as it is not part of your transcript of records anyway).

If you have received more than 180 ECTS so far, you have to submit **either a German or an English language certificate** at level B2 of the Common European Framework of Languages (see <http://europass.cedefop.europa.eu/LanguageSelfAssessmentGrid/en>) or an official confirmation that you are on this level, signed e.g. by the language department of your university (as long as it is not part of your transcript of records anyway).

Courses in "Deutsch als Fremdsprache" (German as a Foreign Language) are available at the Center for International Relations. Besides the improvement of your language skills, the courses also try to widen your social and intercultural skills. We strongly recommend the attendance of German courses.

The following courses are offered **during the semesters**:

Course	Semester	Weekly hours/ ECTS credits
German – Beginners I	WS	2
German – Beginners II	SS	2
German Fachsprache A – Intermediate	WS	2
German Conversation II – Intermediate	WS	2
German Fachsprache B – Intermediate	SS	2
German Conversation III – Intermediate	SS	2

Before the beginning of the semester a German Intensive Language Course is offered for exchange students (€ 250,-).

In addition you can take language courses in **many other languages at BOKU**.

Please find more information about the language courses at:
<http://www.boku.ac.at/sprachkurse.html?&L=1>

10. Contact

The European Exchange Coordinator at BOKU is the first person you should contact for information concerning your stay in Vienna. After nomination of your home institution, you will receive an e-mail containing information from the Center for International Relations.

With questions concerning your selection of courses and other academic matters please turn to your departmental coordinator.

Before your stay, please try to keep in touch with the ZIB coordinator and your Austrian buddy. This might help you to avoid misunderstandings and answer any questions concerning your ERASMUS stay.

10.1 Center for International Relations

Universität für Bodenkultur Wien
Zentrum für Internationale Beziehungen
