

# **Brief Guide to reach ETSA enrolment at Granada by ERASMUS Students**

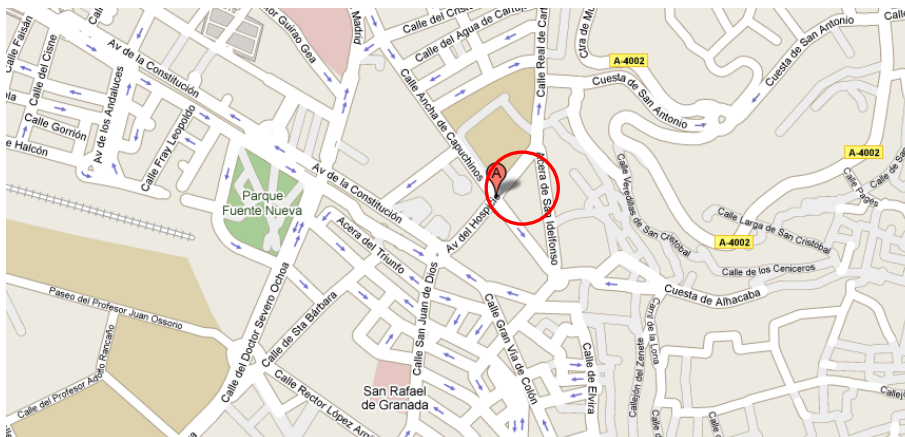

## **Documents to send to Granada:**

- We need to get the nominations of incoming students with the **e-mail** of every student.
- **A.F. and Learning Agreement** for the academic year 2011-2012 will be made online by your students.
- For further information about application form and learning agreement, go to:

## **Once in Granada:**

**(at the arrival of the student to Granada near the beginning of the Academic year)**

- ✓ **International Relationship Central Office** of the University of Granada, Ugr (at the Triunfo Complex, in Cuesta del Hospicio St)

- ✓ ETSA (Escuela Técnica Superior de Arquitectura) is at Av. Andalucía 38, easy to reach by bus-line 9, this line comes from the Central office of the UGR).

**Important too:** ERASMUS students that will spend only a semester at ETSA can't obtain annual subjects or subjects not from the semester of residence, equally ERASMUS students from the Summer Semester can't obtain annual subjects because they have lost half part of lessons and examinations.

- Be sure of consulting the lessons timetable (at the entrance floor notice board) to avoid simultaneous lessons.
- To get registered at the **Spanish Language Courses** at the Centro de Lenguas Modernas it's necessary to have Erasmus Student Card, and choose the course and level wanted at the Centro de Lenguas Modernas (11, Placeta del Hospicio Viejo St, in Realejo neighborhood).
