## COURSES:

- All courses listed in the Course Catalogue (<http://www.tut.fi/english> > Studies > Courses) are available for international students and are lectured in English.

A wide course offering in English in the following fields:

- Information Technology
- Industrial Engineering and Management
- Biomedical Engineering
- Environmental Engineering and Biotechnology
- Machine Automation
- Radio Frequency Electronics
- Materials Science
- Architecture (courses for Architecture major students only, portfolio required when applying)

- Majority of courses lectured in English are of advanced level and may require previous studies in the field concerned (possible course specific prerequisites are mentioned in the course descriptions).

- To prepare the proposed study plan students are advised to browse the course offerings listed under the different institutes of TUT. Clicking the name of the course opens the detailed course description.

## DURATION OF THE EXCHANGE STUDY PERIOD AND THE APPLICATION PROCEDURE:

The autumn semester begins late August and ends at the end of December. The spring semester starts early January and ends late May.

There are three options for an exchange study period at TUT:

1. The student can choose to study for the whole academic year (teaching periods 1-4).
2. The student can choose to study during the autumn semester.
3. The student can choose to study during the spring semester.

Application periods: ► Autumn arrivals: 15.3 – 15.5. ► Spring arrivals: 15.8. - 15.10.

Applications are to be delivered on-line only. The link to the on-line system is sent at the end of February to the coordinators selecting outgoing exchange students in our partner universities. You can find more information about the application procedure at <http://www.tut.fi/english> > Studies > Erasmus students and exchange students. Moreover, students applying to School of Architecture need to send a portfolio by post to International Office.

#### ORIENTATION PROGRAMME:

Orientation week in the autumn takes place a week before the start of the autumn semester (late August). In the spring the orientation is organized in the beginning of January. Taking part in the orientation is part of the exchange period and strongly recommended.

#### SERVICES AVAILABLE FOR EXCHANGE STUDENTS:

Trained and helpful student tutors.

Finnish language courses, free of charge, are available during the academic year.

Three campus restaurants offering quality food at affordable student prices.

University library services and computer class rooms (access 24 hrs) .

Sports facilities at campus are excellent.

Free basic medical treatment from the National Student Health Service (YTHS).

Student activities arranged by a multitude of clubs; trips and excursions organized by International Student's Club and student tutors at affordable prices (in Finland and in neighboring countries).

Tampere has an excellent public transportation system; costs of transport to students are significantly reduced.

#### ACCOMODATION:

Student housing in the Tampere area is administrated by the Tampere Student Housing Foundation (TOAS), which maintains and rents out student accommodation. Many of the exchange students coming to TUT will be designated accommodation in dormitories in Hervanta region at a walking distance from TUT. The deadline for making TOAS housing reservation for students commencing studies in autumn is 30th June and for students commencing studies in spring 30th November.

TOAS web page (<http://www.toas.fi>) gives more detailed information about the application procedure (application form, amount of reservation fee, TOAS account number, etc.), rules and regulations.

The rent in a student apartment varies between 200-400 euros/month. Student apartments are usually two-or three-bedroom apartments, where every student has a single study-bedroom and shares a kitchen and a bathroom with the other students in the apartment. The laundry facilities are located in the basement of each building. Student apartments are equipped only with basic furniture including a bed with a mattress, a desk and a chair, a shelf and a kitchen table with chairs. Towels, bedclothes, desk lamps and kitchenware are not included.

## VISA, RESIDENCE PERMIT AND HEALTH INSURANCE:

The Schengen countries have agreed on what countries are free of visa requirements and what countries are under visa obligations.

Students coming from outside of EU/EEA countries also need to apply for a residence permit. The residence permit must be applied for at the nearest Finnish embassy or consulate well in advance before leaving for Finland. The reason for entry must be stated clearly (studies) in the residence application form. A student needs to present a proof of funds of about 500 euros a month or 6 000 euros for one academic year in order to apply for a residence permit.

For more information on visas and residence permits, please visit the web pages of Finnish Immigration Service: <http://www.migri.fi> > English > Students.

Students need an appropriate health insurance when applying for residence permit. Health insurance should be valid for the whole duration of student's stay in Finland.

Students from EU/EEA and Switzerland: Obtain a European Health Insurance Card from your home country before your departure to Finland.
