

Preliminary Incoming Plan 2012/2013

- Incoming students can choose among the offered combinations of blocks which are illustrated in the cohorts A – E. It is not possible to mix blocks of different cohorts.
- In case of combinations of the 5th and 6th study year incoming students can choose **one** cohort from the 5th year (6th year) followed by **one** cohort from the 6th year (5th year).
- Other combinations of blocks than those given in the individual cohorts are not selectable due to organisational and administrative reasons.
