

For those of you who have not yet nominated students for autumn semester 2012 and the whole academic year 2012/2013 – now it is the time to do so!

Please notice that the deadline for nominating students is April 1.

Shortly after we have received your nominations the student receives an e-mail from us with log-in information and instructions on how to complete the online application. The student is supposed to attach the following documents electronically in order for the application to be complete: Transcripts of Records in English, Language Proficiency Report (for those who will be studying in a language other than their first language) and a copy of their passport photo page. For EU citizens an identity card with nationality is sufficient.

Please notice that the application must be submitted by April 15. And that housing cannot be guaranteed if the application is submitted later than April 15.

Linnaeus University arrange for accommodation for all incoming exchange students if they submit their online application within the stated deadline. Rooms and apartments are distributed on a first-come, first-served basis. By requesting help from Linnaeus University the students certify that if they cancel their studies later than four (4) weeks prior to the arrival, they are still required to pay three months' rent.
