The next step for you is to tell your students to fill in our online application:

<https://uem.moveonnet.eu/moveonline/incoming/welcome.php>

**Please, inform your students that their personal data in the application needs to be filled in correctly: their full name, last name, correct passport/ID number. This is especially important for the students who will need to obtain visa because we will issue admission letters for them with the help of this tool.**

At the end of the application process a PDF file will be created. Students need to print it and send it to us by regular mail with the following documents:

- o Two European passport-sized photographs.
- o Photocopy of Passport/ID card.
- o Photocopy of European Health Insurance Card or alternately an international health insurance policy.
