Student Guide for International Students at EUFH

Introduction to EUFH

EUFH is a state-approved private university of applied sciences. After only three years of study the offered business degree programmes lead the students to an internationally recognised Bachelor-degree. The overall aim of EUFH is to prepare its students for a career in the middle management. As a small private university we are able to react particularly rapidly to the changing face of today's economy, so that students are always on top of the latest management trends.

Seminar groups at EUFH consist of about 30 students and even less than that in language classes and project work. Thus, EUFH encourages intensive studying in order to maximise the individual performance of each student.

EUFH also offers a number of extra-curricular activities as for example campus parties, collective sport and cultural activities and a close contact between students, lecturers and administration staff, which clearly contributes to the positive atmosphere at EUFH.

Location

You can easily live in Cologne or Bonn when studying at EUFH, because EUFH is located in Brühl/Rhineland, which is a small town about 15 km to the south west of Cologne and 20 km to the north of Bonn. It can be reached easily and quickly by train or tramway from the major junctions at Cologne and Bonn. EUFH is just a two-minute walk away from the station *Brühl Nord* (tramway No.18) and 5 minutes from Brühl train station.

Therefore, if Brühl itself does not provide you with everything you want, you can exploit the wide variety of cultural and tourist activities round about:

Living Expenses

On average, students in Germany live on € 800 per month. Accommodation costs represent the highest spending item with an average of 35 % of the budget. In Cologne, as a major built-up city area, students spend well above € 350 per month on average for their accommodation.

EUFH students can buy a semester ticket for public transport at reduced student rates. Further information will be provided during your first days at EUFH.

Health Insurance

Every student in Germany needs to prove that he or she is sufficiently covered by a health insurance before he or she can get enrolled at a German University.

Students from countries of the European Union, Iceland, Liechtenstein, Norway Switzerland and Macedonia:

In general, the health insurance from your home country is sufficient. Please bring your European Health Insurance Card or an E 128/E 111 form when you come to Germany. You need to show this to a German health insurance company e.g. AOK in order to get a confirmation that you do not need an additional German health insurance. EUFH is not allowed to enrol you before you have handed in this document.

All other students:

In most cases, the health insurance of your home country is not sufficient. In order to check whether your health insurance is valid in Germany, you must go to a German health insurance company e.g. AOK. They will either give you a confirmation that your health insurance is accepted or they will offer you a health insurance at reduced student rates of currently about € 80 per month. You need to show us the confirmation of your new German health insurance before we can enrol you at EUFH.

More information can be found here: www.daad.de/deutschland/in-deutschland/regeln/en/8839-health-insurance.

Useful Addresses

“Information for Foreigners” on the website of the DAAD (*Deutscher Akademischer Austauschdienst* = German Academic Exchange Service) provides very useful information regarding all aspects of living and studying in Germany:

Housing

EU|FH cannot provide accommodation, but can help the students. It's the student's responsibility to find his or her accommodation.

Apartments at favourable prices are difficult to find in Cologne and its surroundings. It might be the easiest way to arrive in Germany two to three weeks before the lectures start in order to search for a room. Do not worry if it takes some time until you have found an appropriate room.

Private Housing Market

You can also search for rooms on the private market. Therefore, it always helps to read local newspapers. Lots of students share a flat in a so-called “Wohngemeinschaft” (short: “WG”). You can find some offers under the following addresses:

Notice Board at EUFH

In the entrance area of EUFH at Campus *Kaiserstraße*: you can find a notice board with advertisements of EUFH students. Furthermore, you can find advertisements on the homepage of EUFH: www.eufh.de/bruehl/aktuelles/wohnungsanzeigen.html

Cologne Student Services (Kölner Studentenwerk)

As student of EUFH you unfortunately cannot use the student apartments of the Cologne Student Services (*Kölner Studentenwerk*). Nevertheless, the Cologne Student Services help arranging rooms which are rented privately. The advertisements can either be viewed at the InfoPoint of the Uni Mensa (Zülpicher Str. 70, 50937 Cologne) or on the website www.koelner-studentenwerk.de (keyword “Wohnen” → “A-Z” → “Privatzimmervermittlung”).
