

International Relations Office

Application form is going to be available from May 1st to June 15th for those of your students willing to spend their whole year or first semester in our institution.

Application procedure

1. - The link for the **online application form** to be duly done in such dates (**1st May-15th June**), is this one:

<http://www.unex.es/organizacion/secretariados/sri/incoming-erasmus-students-on-line-registration/european-erasmus-students>

Once the online application is done, the students get an automatic response email with information and letter of acceptance -though not a personalised one, and in July, they will be informed of what to do prior their arrival, as well as told when the **Welcome Day** will take place (it is obligatory to attend to that day as well).

2. - The **academic calendar** has not been officially published, but we can tell you from now, that the course will start around 13th September and will last till July, aprox.

The **Welcome Day** will be a few days before that 13th September, hence, students will be requested to be here before that day, as to get settled.

International students' guide (agenda) with the documents and its calendar, among other information available at:

<http://www.unex.es/organizacion/secretariados/sri/incoming-erasmus-students-on-line-registration>

3. - We would also like to let you know that **no specific language requirements** are demanded, but it is important that students have a **basic knowledge of Spanish**, for their own sake and to be able to find their way in here during the first days, but above all, because the **lessons are in Spanish** (except for some courses that will be notified on due time). Students will have the chance to take a **Spanish Course** that lasts for the whole year, divided into two semesters, and which can give them **3 ECTS** credits per term.

4. – Deadlines:

students have to do the online application (1st May-15th June) and post the required documents -obligatory, too- till **30th June**. (**These docs** are: Photocopy of passport or ID, photocopy of health insurance card, printed online application form and certificate of Erasmus given by you).
