

University of Gdansk - PL GDANSK01

Application process

In order to register students in online registration system, coordinators receive (via e-mail) the website address and password.

The online registration system is opened:

- *1 of April - 31st of May (winter semester/full academic year)*
- *24 of September – 30 of November (summer semester)*

As the response for the registration the link to submit data is sent directly to Students.

All properly prepared application documents Students have to send by regular mail before:

- **30 June 2013** for winter semester/full academic year
- **16 December 2013** for summer semester, (the date on the postmark decides)

When student's application documents will be completed, the information about acceptance will be sent via e-mail (or by registered letter on request).

Courses in English

In order to find the offer of courses at particular faculty please see website:
www.ug.edu.pl/en/?id_cat=50&lang=en.

If the address to the faculty website is not indicated there, Students should write an e-mail directly to faculty coordinator (coordinator's e-mail address is indicated on the same website).
