Application procedure

<http://www.surrey.ac.uk/exchanges/incoming/How%20to%20Apply/index.htm>. On this page you will find full details of our nomination and application procedures. Please note that our deadlines for this year are as follows:

Application deadlines: 31 May and 31 October.

Application period: from 15 March onwards.

The Application Form and Learning Agreement form must be completed electronically to ensure legibility.

The application form must be checked and signed by the Exchange Coordinator to ensure that it is accurate and complete and that the student has the required level of English.

The complete application (including the supporting documents listed) must be emailed to us as a pdf by the Exchange Coordinator, rather than the student, and then the original sent to us by post. We will not accept any application emailed to us direct from a student. We only require the emailed application by the application deadline.
