

Dear Colleagues,

Greetings from the “Université Libre de Bruxelles” !

I'm pleased to provide you the information concerning our student's nomination's process for your Erasmus selected students coming to ULB in 2014-2015.

May we insist on the importance to respect the nomination's deadlines, please could you also ask your students to respect our application's deadlines, after they will receive our relevant information?

Should your students have any question about their stay in Brussels, please invite them to visit our website : (<http://www.ulb.ac.be/enseignements/cpe/index2.html>)
