

We are happy to announce that the nominations period has started and that on April 2015 the application procedure for the nominated students will start.

Therefore we thank your students for choosing **Aristotle University of Thessaloniki** for their Erasmus+ Period abroad; and we thank you for our fruitful cooperation.

We would be grateful if you can distribute the information provided below to your nominated students.

### **Procedure to be followed after the nomination**

For the online registration, please visit the following website:

<https://new.eurep.auth.gr/en/incoming/welcome>

First you need to create an account, verify the account via your e-mail and fill in the online application form. Please save your username and password for future reference. After that procedure you can login back and fill in your application form.

You will also need to upload your signed Learning Agreement and a photo, otherwise the system will not let you submit the application. Please make sure to fill in all the fields required.

When filling in your application be careful of the dates you're selecting for your studies as well as the date of your birth because these dates will be displayed on your Erasmus ID card and cannot be changed later. You will also need to take under consideration that our office services students every day Monday to Thursday (except Fridays), therefore your arrival and departure should coincide with these days.

The Learning Agreement can be found here:

<http://www.eurep.auth.gr/index.php?lang=en&rm=8&mn=60> .

Once you complete the form, you need to print it and send it to the following e-mail:

[erasmus-incoming@auth.gr](mailto:erasmus-incoming@auth.gr) together with the signed Learning Agreement. All applications should be printed or saved and then sent to us by e-mail in order to process them.

You can also have a look at the instructions provided on our website:

It is vital to make sure that you have completed your application form; **just creating an account doesn't mean that you have submitted an application.**

In order to be informed about the available courses, you can have a look at the relevant Faculty/School of the University's website: <http://www.auth.gr/en/faculties> or <http://qa.auth.gr/en/studyguide> . You can also contact the Departmental or ECTS coordinator of the School in which you intend to study to inform you further on the list of courses available for Erasmus+ students. The list of the ECTS Coordinators can be found here: <http://www.eurep.auth.gr/index.php?lang=en&rm=8&mn=60> .

The closing date for receipt of applications for the Fall Semester is **June 30<sup>th</sup> 2015**. The Application will open in April 2015.

### **Accommodation:**

The University doesn't own or cooperate with Residences as most students prefer to rent private flats or rooms. However in order to assist the students, information for accommodation can be found on our web-page:

<http://new.eurep.auth.gr/accommodation-list> . Please keep in mind that the ads of the

accommodation list work **independently** from our office and any communication with the landlords is the students' responsibility. For assistance you can also contact the **ESN** (Erasmus Student Network) at <http://www.auth.esngreece.gr/> just **in case** they know about any rooms available or other students seeking roommates.

Please visit the following link for the general academic calendar:

Should you have any questions or problems during e-registration, please do not hesitate to contact us.
