

Semester exchange packages are here!

The UA is proud to introduce English taught semester programmes at bachelor and masters levels in the fields of

- Chemistry
- Civil Engineering
- Electronics, Communications and Informatics
- Languages and Cultures
- Mathematics
- Mechanical Engineering
- Physics

The full list of available packages is available at <http://www.ua.pt/internationalstudent/exchangepackages>.

Main benefits

- English taught course units
- Non-overlapping course timetable
- Support for accommodation and Visa

Fee waivers may apply for students from universities with existing bilateral agreements signed with the UA.

Application deadline:

- 1st semester: 31st of May
- 2nd semester: 15th of November

Application guidelines are available at <http://www.ua.pt/gri/applications>.

We're hoping to meet you soon in Portugal's Venice (Aveiro)!
