

Lodz University of Technology

International Faculty of Engineering

APPLICATION PROCEDURE

The application for the academic year 2015/16 is now open!

Links to courses conducted in English (and French) at the International Faculty of Engineering:

BSc studies:

http://www.ife.p.lodz.pl/index.php?option=com_content&view=article&id=1394&Itemid=427&lang=en

MSc studies:

http://www.ife.p.lodz.pl/index.php?option=com_content&view=article&id=1395&Itemid=428&lang=en

To take part in the application process, students are obliged to register on our on-line portal: <http://www.mobility.p.lodz.pl/in>, where they will find the complete instructions and deadlines. On the website, also the list of courses available for exchange students can be found.

Please note that the students may be allowed to attend courses that are available ONLY on the portal. Also, the courses for the Spring semester are susceptible to minor changes in future.

Once the students confirm their courses, they should send us the following documents via regular mail or a scan via e-mail BEFORE the deadlines (for winter semester it's **30th June** and for summer semester it's **30th November**):

- * Application form (signed and stamped by the coordinator at Home University)
- * Learning Agreement (signed and stamped by the coordinator at Home University)
- * Copy of valid ID/passport
- * Copy of Health Insurance
- * Copy of Civil Liability Insurance
- * Transcript of records (issued by the university)
- * One passport size photograph (35x45 mm)
