

Hereby I would like to give you some updated information on how to become an exchange student at DTU (Technical University of Denmark).

### **Admission process**

You can find the updated application deadlines for exchange students at our webpage:

[http://www.dtu.dk/english/Education/Guest-students/Exchange/BSc\\_and\\_MSc/Application-and-deadlines](http://www.dtu.dk/english/Education/Guest-students/Exchange/BSc_and_MSc/Application-and-deadlines)

. You will also find them below.

	Deadlines for European students	Deadlines for overseas students
Autumn semester (September-January)	15 April	1 April
Spring semester (February-June)	1 November	15 October

If there is a problem with the deadline, please tell us in advance.

Before the above mentioned date, DTU must have received the online application at [www.icn.dtu.dk](http://www.icn.dtu.dk) and the required documents, which are also mentioned at the above webpage. The documents are a certified transcript, documentation for English language proficiency, and the learning agreement for Erasmus students. Concerning English language proficiency, as a general rule, students should not fall much below the language requirements for full degree MSc students. European students should be at B2 level within the European framework or better.

Students will receive their acceptance letter and all information relevant to the admission via e-mail. The admission package contains detailed information on how to sign up for courses.

### **Accommodation**

Exchange students can apply for accommodation before the 15<sup>th</sup> of May for the autumn semester and before the 15<sup>th</sup> of November for the spring semester. Please note that we do not guarantee accommodation for exchange students. However, we do our utmost to find accommodation for all students who apply within the deadlines. To read more about DTU's accommodation offers, have a look here: <http://www.dtu.dk/english/Education/International-Student-Guide/For-admitted-students/Accommodation> .

### **Summer University**

DTU offers a number of summer university courses, which are presented at this webpage:

<http://www.dtu.dk/english/Education/Guest-students/Summer-University> . The offer includes an intensive summer course on Danish language and culture, which takes place in August before the autumn semester. This course is open to all exchange students, but a maximum of 60 students can attend.

All application forms for the summer university courses can be found here:
